

THEY WILL VOTE FOR WINNERS FOR GOVERNOR.

The Upper Peninsula Secures the Candidate for State Treasurer—Daniel E. Soper Will Run Against Rev. Washington Gardner—Regular Proceedings of the Convention.

The Democratic state convention at Hartman's hall yesterday, was called to order at 11 o'clock by Ex-Mayor Weston of this city, chairman of the state central committee.

Gen'lmen: We meet here under the most flattering prospects of success. Since the campaign of two years ago, every state election that has been held has shown enormous democratic gain, except perhaps, the recent election in the state of Maine, and so far as that state is concerned, with the knowledge that the country possesses of the methods taken to carry out the result, we can expect any other result? When we consider the manner in which the Kittery navy yard was packed with political bores, and when we remember the disfranchisement of the Democrats in the state of Mississippi by the partisan decision of a partisan court, it is not to be wondered at that Speaker Reck's majority is doubled. But in all other state elections the Democratic party has won.

Mr. Soper was followed by Congress-Whiting, of the Seventh district, who cut a record for himself by being elected.

continued in until the people rise in arms over the tariff. The Democratic alarm should be heard in every section of the land against this policy. As you know, the tariff is the life of the present congress you will be shocked at the bold stands that have been taken by the tariff reformers. The majority in the present congress you will be shocked at the bold stands that have been taken by the tariff reformers.
