WOMEN IN MEN'S CLUBS.

Some Sweet New York and Boston Clubs Make Special Provisions for Them. A veritable revolution is slowly taking place in the realm of club life. If you had suggested the possibility of ladies being received in aristocratic male clubs a few years ago it would have been considered a most promising candidate for ridicule.

The revolution was started by the famous Somerset club, of Boston, that has no more exclusive and no more aristocratic character in Brooklyn make provision for the reception and entertainment of the wives and daughters of their members.

When the Hamilton club, of Brooklyn, was incorporated it adopted this feature, and it is shortly to be followed by the Lyceum club, which was established in the Equitable building, the same system was adopted on a much broader scale.

The names so entered are copied upon a register, and thereafter the ladies named by the member have the freedom of the club and are set apart for the use of their sex. They can gain admission to these rooms at any time during the day, can meet other ladies there by appointment, can lunch or dine there, or can entertain friends at luncheon if they so desire.

REMARKABLE SUCCESS HAS BEEN ATTAINED BY PROFESSOR ALN, OF BROOKLYN, IN APPLYING HIS METHOD OF MEDICINE TO THE DIFFERENT DISEASES OF THE EYE. Another contribution to one of the newest departments of modern science was made by the publication of photographs of cultivated luminous bacteria, which were photographed by their own light, the process giving evidence of the constant vibration in which the tiny organisms are unceasingly engaged.

THE LITTLE TYCOON. The Little Tycoon will be sung at Powers' tonight and on Monday. The large number of listeners. The Kalamazoo Gazette yesterday said: "There is an indescribable something about 'The Little Tycoon' that is always sure to win."

Jr. Calvin Knox and Walter Knox, died
yesterday morning at the residence of
her son, corner of Scribner and Fifth
streets. The deceased was 87 years of
age, respected and loved by all who knew
her, and although she had attained to
the great age of 87, she was cheerful
and cheerful and retained her mental
faculties to the end. A devoted Chris-

provements, I wish you would say some-
thing about the Lyon street" said a B.H.
resident to me yesterday. "It is in very
bad shape and should be fixed up. The
cable rails are six inches above the street
in some places and there are a great
number of ruts and holes all along it.
Lyon street is now a prominent
feature in the city and it should be
improved."

"I admire Colonel Edging's nerve in
canceling the engagement of a rank com-
pany at the Lyceum," remarked a prom-
inent newspaper man yesterday. "Man-

same with the company playing there."

PUBLIC OPINION.

I must rectify another incident in con-
nection with the Masonic fall which is
interesting, not only for its novelty and
truth, but also as showing the sharp
business sense of American girls. I
speak in honor in the great hall last week
and in that time I expended all the
money that I felt I could afford, so all
the pretty pleaders who applied later
were given a stern refusal and I stood
in one corner and my friends crowded. All
I wanted was a handsome little brunette
came over to me. In her hand was the in-
evitable change book and a bank bill. "I
am not going to ask you for any money,"
she said, assuredly. "All I want is
change for \$5." Always anxious to
please and oblige the fair sex, and this
time I was in a dilemma. I had the re-
quired amount in silver and was giving
the bill. Then she paralyzed me by
saying, "Now that I have your money
I am not afraid to ask you to take
only 50 cents." It is needless to say
I submitted gratefully.

A gentleman complained to me the
other day that he had dropped a florin
by mistake for a penny into the slot
of the automatic machine and can get
it back again, no, nor even the piece
of chocolate he bargained for. Well,
that's a serious matter, but it's nothing
to what happened to me, when I was a
boy. I had a florin in my pocket and
was taken to "call" upon an excellent
clergyman, who had a missionary and
hung rather heavily on my hands, and I
was amusing myself with trying whether
a silver handsome young man of 25. He has
a tall figure, a powerful physique and is
a colonel in the Imperial guard. He is
not a great distance from us, but the
positions of the various bodies of troops.

The czarowitz, the eldest son of the
czar, who is to make an American tour,
is a handsome young man of 25. He has
a tall figure, a powerful physique and is
a colonel in the Imperial guard. He is
not a great distance from us, but the
positions of the various bodies of troops.

It is estimated that one horse power
of electric energy will furnish ample heat
for a street car without smoke or dust
or reduction of seating capacity.

The military department of Ten
Hopes is rushed from morning until
evening at the present time, for the
month of November.

Love and virtue in man combined,
Make the noblest of human kind.
RHEUMATISM is easily cured. If you
suffer go to address Dr. W. H. Ross,
office Widdicombs building, rooms 45 and
46, Grand Rapids.

Before going home from the Masonic
hall, I had a box of those delicious
Buttermilk, made fresh every day at
Miss Formby's, 103 Monroe street.

Visit John Ten Hope's, 134 Monroe
street, and see their beautiful chenille
table spreads just received.
