Marringe Licenses.

PUBLIC OPINION.

Mrs. High Tone, an eastern lady, was quoted by the New York Sun as saying; "I am not a toady, yel I have always tried to make my way into the best circles of society. The manners of the people there are agreeable to me; I like their style; their talk is polished; you set choice winds at their tables; they are not always harrassed about money, the lades dress beautifully; you see fine pictures and other tastefully; you see fine pictures and other are not because of the poor house; they can entertain you with accounts of their foreign tours; they live and they don't need to be always skimping or straining. Of course, I like that kind of I life, and like to get up into the society of people who know how to please toady," said Mrs. High Tone with emphasis, as she gazed at an invitation to attend an evening party at Mrs. Cream Cheese's.

One of the young men said to a frince since the affair was diviged: "Why you have no idea how hardened one be comes after they have one started doing wrong. At first I was frightened all the time for fear I would be discovered, and then my conscience troubled me considerable, but after a while I could alway; find some excuse for taking everything after the started of the started of the started with the started was a started at the things just as if it they be longed to me." In the first place the temptation was thrown in taken tway, and the started was and the say way was adopted and it was the easy way was adopted and it was "who long law entitled to them, and at one of the constraint of the started was the started with the same without any turn" wa denied to them, and at one of the constraint of the started was the same started with the same started was the same started was the same started when the same started was the same started was the same started when the same started was the same started when the same started was the same started was

The disgrace of two of our prominent and popular young men of the city is greatly to be deplored. The expanure of their thieving propensities was startling news to their friends, associates and acquaintances of these young men; but I found yesterday that plent yof them had a good word to say for the boys, who also the contract of th

The prospects are better for snow, which is much needed, as the volume of business done here would be more than doubled if we get a liberal supply of the beautiful.

Luther Lodge No. 370, F. & A.M. had a busy time Thursday night; con ferred the third degree, elected officers presented a very beautful apron to W. Hammond, also to S. W. H. T. Bal win, and had a banquet at the Sabi house.

Scarlet fever is quite prevalent here a present.

THE SCHOOL OF MINES

Something of the Building, Equi ments, Departments, Course of Study, Object and General Advantages to Students - The Eminent Director, Dr. Wadsworth.

HOUDITON, Dec. 12.—[Special Correspondence.]—Your correspondent has recently visited that already flamous institution, the State School of Mines. The building is handsome and very substantial, is built of red sandstone, cost \$00,000, and is equipped at even a greater cest with every modern importantial, is built of red sandstone, cost modern importantial, as a series of the ser

ver and copper ores.

Four years ago seven students and
their teachers, meeting in an old engine
house, were the beginning of this institution which today offers greater advantages and gives a more practical course
than any other school of its kind on the

American continents.

Now that law, medicine, civil engineer ing and journalism are so thorough!

Milled and recruited by students from thousands of colleges in this country the thoughtful young man, expecting the thoughtful young man, expecting the thoughtful young man, expecting the well to look toward the mining school particularly if he has a taste for main matics, chemistry or the study of nature Even electrical engineering will soverflowed by graduates from the various colleges giving courses in that etc.

Mining engineers are in great de mand, good ones command fine salarie and very few in proportion are being not provided to the control of the contro

trained. The object of the Michigan mining school is to turn out men so trained in the sciences that they may carry on all mining operations and thus aid meritally in the development of the minoral relative to the minoral so richly endowed with both. To protate the school has already done the star much good, its admires have but to start the school has already done the star much good, its admires have but to start the school has already done the star much good, its admires have but to start the school has already done as a school has already as a school has a

The military band concert at the Lyceum theater last evening was quite a
success, the majority of the seats being
occupied by an intelligent and refined
andlence. There is no question but the
worzburg, & Bronson band is the best
organization of the kind and the programme last evening was one that could
be sulpoyed by cultured and music loving
tary dress, under the direction of Frank
Wurzburg, rendered sight selections,
among them the beautiful descriptive
piece "The Forge in the Forest," and a
son, and a flute solo by Ift. A Davis were
all generously applauded. This was the
first of a series of Sunday evening band

"An Irishman's Love" is spoken of bythe press of Chicago and other prominent cities as being one of the best Trish dramas now before the public. The company which will appear in the piece at the Lyceum this week, has just closed an emisantly successful engagement of a return engagement at Jacob's theater in February. Seats are now on sale at the bot office of the Lyceum.

The sale of seats for the engagemen of Thatcher's minstrels at Powers' Wed needly resing, will open at the bo office this morning. The company is said to be one of the first minstrel organizations on the road this season, and has a number of new features, amon of the control of the company of the company

The sale of seats for "The Messiah" commences tomorrow morning. This magnificent oratorio has been successfully presented twice before, just previous to Christmas, and still the interest increases every year.

"Black Thorn," Joseph Sullivan's Irish play, will be the attraction at Redmond's this week. The paper is quite attractive, if a little suggestive and foreign to an Irish drama.

Another good specialty company is announced for Smith's opera house this week, and the patrens of that palace of amusement will be well entertained again.

BICYCLE MATTERS

Many riders who laid away their wheels have taken them out again and are taking advantage of the pleasan weather.

The Grand Rapids Bicycle Club gave a donation pedro party Thursday evening. About 20 were present, and a pleasant evening was spent. Nearly 510 in money and several articles of furniture and

bric-a-brac were donated.

TESTING THE SPIRITS

ow Mrs. Glading Entertained He
Audience at Greenwood Hall
Last Evening.

Al Greenwood hall last evening, Mrs. A. M. Gisding, a Spiritualist and test medium, gave an exhibition of her power to answer questions handed her by the audience. Mrs. Gisding is a lady of about 50 years of age and wore upon her bosom a large bouquet of pink and white chrysanthennums. She spoke with a dramatic tone of voice which was sharp and clear cut, her eyes being tightly closed from the time she arose to address the audience until she sat down. The crowd was a motely collection of humanity. Some came through faith in

... THE HOLINESS MISSION

AN ORGANIZATION WITH A WIDE RANGE OF OBJECTS.

istory of Its Origin and WorkDf Michigan Birth, With Headquarters at Clarksville, Where
an Excellent School is
Maintained.

The body of Christians bearing the name of "The Primitive Boliness Mission" had its origin at Dutton, Mich, along the later part of the month of September, 1889. It grew out of the Undenominational State Holiness association. Its organization was made necessary largely by the opposition of the extisting organizations to the undenominate control of the Holiness association, the leaders of which, believing themselves called of God to that particular lines work, could not confine themselves called of God to that particular lines work, could not confine them of their power of the control of the control

the time and place mentioned above. From the beginning the work has been signally owned of the Lord, by convicting and converting sinners, sanctifying believers and healing the sick in the meetings held by the mission workers. Within a few years several thousand have been converted to God in meetings held by these organizations.

meetings held by these organizations.
The objects sought by the mission are
the salvation of the lost, the sanctification of believers, the bringing together "in the unity of faith" of the
Lord's little ones, the tearing down of
"the middle wall of partition which so
griveously divides the children of God
and separates the body of Christ member
from member, and the restoration of the
doctrines of the primitive Christians
church concerning Christian benevoence, frequent communion, separation
from the world, the healing of the sicket

Total circulation.

MONDAY, DECEMBER 15, 1890.

LAST WEEK'S CIRCULATION While the MORNING PRESS is not rush-ing ahead in point of circulation as rap-idly as during the first few weeks, it;s, considering the near approach of the holiday festivities, still making a grati-fying headway. The record for the past week is as follows:

sery will be added to the rolls, and to only possible but highly probability of the rolls of the rolls and the increase of receipts thus of will meet the entire amount of which the rolls are receipts the solution of the rolls and the increase of a few, and utterfy of of justice to the people at large, seed the residents in the outsikrits contribute elir patronage as much to the property of the central portion of the city same number of individuals with eliminating the rolls and the rolls are received by from the townships. They increase property of the rolls are received by the rolls

disk them to the price or ms goods.

In the property of the price of the property of the prope and supervision should be extended in a comprehensive system of sewers. Even the opponents of present extension admit that some time this territory will be opponents of present extension admit that some time this territory will be subtraced by the city, and such being the case the board of public works should be of the contract of the contract of the contract of the case the board of public works should be of the contract of the case the board of public works should be owner. Streets are now being laid out only 18 feet in width, and with no regard to the general plan of the city. The people who will be taken in will feel be the contract of the co

against the many.

ANUTHER LEBSTAH CHAZE.
The efflor of the Chicago Post wrote a deflored to the Chicago Post wrote a distoral under the chicago has been a distoral under a distoral under way up in South Da-Keta and he returned his compliments to the editor of the Post "in a way" that was hardly "child like and bland." We make the following extracts from the farmers reply to the Post:
"As I do not wish to be personal, let us deal with principles; therefore I wish you would state through the columns of you would state through the columns of wise or less honorable for farmers to combine for self protection against un-

ports and the passage or an order to recommend the process of the control of the

A HARD BLOW TO WOULD-BE COMPETITORS

We must say a few words to those contemplating buying HOLIDAY PRESENTS. We have made a study outing MODIDAY PRESENTS. We have much as stay of this line for the past Twenty-six Years, and have been adding to and enlarging our stock until it has grewn to IMMENSE proportions. When we see the advertisements of people who deal in other lines, but give up a small corner of their store at this time of the year, and claim to show an assertment, it makes us smile. We SELL bills of goods at wholesale to the trade larger than the whole stock of fancy goods which these conserns earry. WE BUY AND SELL TWEN-IY TIMES as many Fancy Goods and Books as all of these would-be competitors put together. Our variety is FIFTY TIMES LARGER than all of these wouldbe competitors put tegether. To every one style of Album which any of shom will show you, we will agree to show you Thirty, to every one style of Comb and Brush Sels which they will show you, we will agree to show you Thirty; and so on through the entire line, which

includes Photograph Albums, Autograph Albums, Ladies' Toilet Sets in all the styles of fittings, Gentlemen's Fine Traveling and Dressing Cases, Plush and Leather Work Boxes, Shaving Sets, Odor Cases, Jewel Cases, Writing Desk and Portfolios, Scrap Books, Plush and Leather Frames, Mirrors, Smokers' Sets, Paper Knives, Manicure Sets, Poker and Card Sets, Shoe Horn Sets, Nutpick sets, Napkin Ring sets, Children's sets, Baby sets, Pecket Books, Whisk Broom Holders, Bonboniers. Then comes our Beautiful Display of Books, comprising thousands of Toy Books, Juvenile Books, Books for Boys and Girls, Miscellaneous Books and Novels in Boys that Grant, Assertices Described Moontint Books, Booklets, hundreds of different styles; Elegant Illustrated Books for Christmas Gifts.

Now in the large quantities that we buy, why should we not buy these goods at a lower figure and thus be able to offer them to our trade at lower prices than those who buy in small quantities.

On Thursday Morning, Dec. 18th, we will throw our entire second floor into a Retail Department, and we will surely show you the Finest Display we have over shown—in fact, we have outdone ourselves.

Come and See the Largest Display! Come and See the Best Goods for the Lowest Prices!
