It is plainly evident from the appear-nace of our streets that there is some-hing unusual in passing events. The goople are hustling from store to store, nany carrying bundles. The stores are provide are maximum trong store to store, many carrying bundles. The stores are minuted in consumption. Four d erw me up, saying I could live who are in no finance listess showpers, short time. I gave prelif up to n the start of the store of the store of the store of the store quiry in the eye, there is interest in the manner, and there is something subtantion. The store list is abundless crowd, and is after more with my friends on earth I would advised to get Dp. King's New Disk and the store of the store of the store tial and grauffying in the decision. Local trade is booming, and months and the store freely flowing for holiday gifts. The bisesed Christmas time is at hand, and in another week the year will ead, flowing the begins are shown in the transfer on the existences at the anniversary of the Christian era, and with the new year hops are revived judger from the enseres at the house of Julies are seen in the target that farspire new and better resolutions. ninated

that inspire now and better resolutions. All these things are seen in the faces of the propie, and even the despondent take course for the future. The dolo-ful fears that have bestet them are put adde and the cherniess and joy of the majority impel them to push forward for success and happiness. This is the time when the miser is most wroteled. The golden hours for others he, too, would graup, but the par-spirs of avaries make is deforts orturns.

These are the times to spend money like a prince, if you have it of your own, but

a prince, if you nave to react the new year with the not otherwise. Don't enter the new year with the burthens of debt. You will be happier if you give nothing and owe nothing, but if you have it of your own, give, for it is more blessed to give than receive.

Coxoness has before it demands for financial relief, and the consideration of a question the decision of which may lead to a war with England, and yet the sen-ate is dawdling with "a lost cause" that has no importance but mere party inter-

est. The Republican senators should re-mind themselves of the fact that "a house divided against itself cannot stand." Mr. Lincoln approved of that sentiment.
