A KENTUCKY "WARNING."

Late the attention in replanator in explanator in a cove of the Kentucky mountains. The family consisted of father, mother and three semi cluidren, and there were many conforts about the place. Hungerford was an industricus, hand work-ing man, and one of unsual intuities and work-ing man, and one of unsual intuities and work-ing the semiconder of the second second second second children were for above the average. They extended a right toyal welcome, hours when a woman rode up on a mula-come with important news. Now was developed a trait pecular to all the southern mountaincers. They are game to a man-and woman. They are the coolest people in the face of danger con-tor and the southern and women the southern woman.

ever saw. "Howdy, John?" queried the woman as sho drew rein at the door, and as Mrs. Hungerford appeared she added, "And howdy, Mary?" Both answered that they were well ered that they were well.

thoushy, Mary?
Both navered that they were well, and John inquired:
"How are all you'uns, Sarnh?"
"All able to dig, thankes, John."
"Corn an't tates trainif our well?"
"Recken they be, what little we're well?
"Recken they be, what little we're well?"
"Recken they are well?"
"How the fail, Mary?"
"Haven't heard from them'uns, I reckon?" queried Hungerford after a long pause, during which the woman tried to size mo up.
"Mebus NWo may he'un be?" "Stranger from the no'th."
"Mull be back with ye\_estand to your back in case of trouble?"
"Well, then, they'un sizensing up to hight to put on the hicktry."
"Well to pat and it?"
"Recton."
"Recton."
"And Mary?"

n?" "Exactly—if they kin!" "And are they coming to-night?" "I reckon." "And you?" "I shel be ready."

step the wife carelessly inquired of he husband: "Gwine to shoot to kill, John?" "Reckon I orter," he replied. "And me?" "That's according. Mebbe you'll have to,"

o." "And the stranger?" "Oh, he'll fire high." "Pap, can't I shoot?" asked the a girl of 10. "Shet, Tilly!" The children went off into a and raidcad that there was goin ae children went off into a corner rejoiced that there was going to be jout," but by and by grew sleep? went off to bed. Up to 10 o'clock talked of everything but the coming at. At that hour Hungerford said: Reckon it's time. They'll be here 11."

ed up and examined the sed off to her station with 1. I went over to the shed, a picked out for me and five

was just about 11 that I heard hum of voices and the footfalls and ten minutes later four or fi gang of twenty came directly shed and leaned against it as d the h

foolin wife?"

"Blast her: She's as bad as he jsi Let's give her a taste of the gad, too?" "Agreed!" One of them went away to call up the crowd, and in a few minutes all were assembled. Then I gleaned from their whispers that John Hungerford was to be whipped to death, and that his wife was to receive less merciful treatment.

They even planned to fire the house, and wrise or the whole family root and branch. At a signal all advanced, and the or six and imposed against the door. If "Open, John Hungerford! We've come for yo, and we are bound to have yet". The words were answered by a shot from the house, and them the shotgan the shots are associated and fying crewd, and next moment all we've and medick shots over the confused and fying crewd, and next moment all who could get away were gone. Hungerford came out with a lanet moment all who could get away were gone. Hungerford came out with a linet may and the shotgan of the wonded was pat speaking. The other two, who were strangers to the other wonded house and to thin. One of reformation in the fotars: begged for merry and promised all orts of reformation in the fotars. On, there were three dead outside the one merry word for him. As I left the house it merring and the shot shot and leave wond for him. As I left the house its "merring and the shot of and leave ment end and the shot of and leave the set of the shot of and leave word for him. As I left the house its "merring and the wond the swent for

door and the two wounded were gro ing with pain. The nearest doctor five miles away, and 1 was to stop leave word for him. As I left the he Mrs. Hungerford said: "Thankee, stranger, and we won't git it." And the husband said:

git it." And the husband said: "It wasn't your fuss, of course, but what a shape to have wasted all them bullets!

"Good-by, and God bless ye!"-M. Quad in Detroit Free Press.

Quad in Detroit Free Frees. Accommodating. Visiting conteners—a least those from Texas—are not at all pleater we have below Maj, Martin, of that state. They are used to a very different sort of do-tills this stary: I remember that are or a train in my state to stay at a certain place all night the wanted to spend the night with some friends, she said, and if he didn't be vanied to spend the night with some friends, she said, and if he didn't like to delige hor also hould have to wait tween-ty for the passengers. Finally he agreed to talk it over with them, and we decided that if her friends would give an lodging and breakfast we we have, mind an extra day spent on the train write half an hour white

wouldn't mind an ertra day spent on the way. The train waited half an hour while she got off and consulted with her friends, and just as we were about to leave the place she came and told as that they had agreed to the terms. The fires in the engine were banked, and the

The second secon res in the engine were canked, and the rain left on the track. Next morning. After a comfortable night spent in the farm house, we left the place twelve hours late. Talk about accommodating ailroads!--New York Tribune.

Senators and Flowers. Senator Toller has one of the pretiest gardens in the northwest. And ohl what stories the roses could bell there! The senator's favorito relaxation all sum-mer is to pay different attention to his flower beds.

Inter is to you dilgent statution all sum-imer is to you dilgent statution to bias. Other gentlemen who want to whisper little suggestions in the senator's are ind him every evening around among the flowers, and as they table they. They might not set all they want, but the senator has pleasure and relaxation from his garden work, and boasts the pretises teget lawn and flower bed in his neighborhood. In door to sen all they want, but the senator has pleasure and relaxation for his garden work, and boasts the pretises teget lawn and flower bed in his neighborhood. In door not desree any special mention for the bads, and when the senator and harefit is down for their stife dianger from viewing the bright blossoms all around the windown.
