SENATORIAL RELECTION. These fearful contests in the legisla iffes over the election of a second of p ent of themselves a strong argume or election by a direct vote of the p le. Pending a contest of this kind to gislature does nothing and the exper-

legislature of Illinois has no en balloting over a choice for senator ont two weeks and the cost to the ite so far is not less than \$20,000. Be-re the matter is settled scandals will nade to invalidate the election when

we mistake not the fight in South Da kotals still on and in any event the ov-ra expense to the people of that state will be very large compared with the resources of the trensury. These thing-are as a reform the election of United states senators by a direct vote of the sonale.

RAILBOAD PASSES. Some time since the MORNING PRESS die the statement that the railroads of e state were withholding passes from e members of the legislature in defer-

the state were withholding passes from the members of the legislature in defer-sace to the oploins of the people ex-cepting the Michigan Catral" and P. & P. M., and against theore railroads we commented bitterly because of their de-flature of the well known and oft ex-presed with s of the people. But we learn the facts are different. The De-transing & Strutter, which releases the control of the second of the second the inclutance excepting the Deirolt, Lansing & Strutter, which release the Central and the F. & P. M. from the cloud situation we had east upon them and brings into a more favorable the last names generated the D. L. & N. Whatever may be the real movies of the last names alt descrete thanks, and if this legislature in the most di-tant and the reason, shy with the str-most desire to ext at he more will fugure the reason why why the sit-most desire to ext at he more

most desire to get at the bottom cause A gray soft sufficient fellows pretend-ing to be the representatives of business it. Boston wentall the way to Washing-ion to isl the predicat what they knew about silver coltage and to guard him works of the silver. Thus president what he had his adviser, and that their ad-vice was not needed, so these selfs soft-ent money lowed room for the son left the while house i a high dudgeon. Like the hill and then americal don't agent her farmers and mechanics do not send soldiers of France they marched up the hill and then marched down again. The farmers and mechanics do ont seed delegations to Washington to demand free silver coinse. They stay at home and mind their own business just as the millionairs should do if they want their opinions respected

opinions respected. Any effort by free silver Republicant to get a Western man with Western d'as for secretary of the treasury will prove fuils. Nr. Harrison choses a sec-retary of the treasury and he is opposed to free silver, so its plain no free silver man need apply. B-foren a free silver man can bego ito the treasury a fore-silver man will have to be put in the White Hone.

While House. While Money This bacquet for Mr. Gornas by the Domecrate as a complicate tor the good generalship in the election law contest had better bo postponed until after March 4. The bacquetors cancot but be harrased with fear that the thing may come to life again. Wait genule-mon until Hiss sure enough dead. Wait until the victory is certain. Durit vocif-rate until you have emerged from the silderness. White Hou

The difference. If is feared that the office seekers have done up Farmer Winass. Holding a plow in stump and stoney ground is an easy job compared with unking ap-polations, and the stoney of the stoney of the frame apale stricken plow is not half as ischeming as the wicked threats of disappointed sout that craves office.
