Honest A gentleman who passed the autumn form fifty mills from Philadelphia pays a tribute to the honesty of the Qaaker lady with whom he boarded. He passed several weeks at her house, and when the time came for him to leave he pack-ed up his belonings, paid his bill, and stil goodby. Leaving the house by the way to take him to the nearest railway ration.

stage cocie, which, in primitive Issuido, want to take him to the nearest railway "and to take him to the nearest railway "The stage stopped for a few moments at the village postofiles while the mail was made up, and the gentlemansiting down the street. The driver came out and the street. The driver came out and nearest here was at the side of the cocach." I found this in my dressing table," "I found this in my dressing table," here said, extending something wrapped in a winj of paper. "I bring rather childneh to reach down to where size stood.

being runer conserver to the wisp of paper with the greatest gravity and showed—a dis-carded null toothpick. "On, that's you't the gentleman said, when you't he gentleman said, the source of the source "It is of no value to mo," sho respond-ed, with numored seriousness, and stand-the source sho reached to him the

ed, with numored scioumess, and simi-ing upon the step she reached to him the "line of upper." There was manifestly nothing to do but to take it, and so the ridiculous scene was ended by the gentleman's pocketing the quill, and thanking the bringer as gravely as if it had been a gold watch.—Youth's Companion.

A Joke Misunderstood. The cynical humor and eccentric say ings of Beau Brummel were not always received by the auditors in the manner which their originator anticipated or de which their originator anticipated or de-sized. At one time Brummel was a men-ber of Watier's club, in London, which was then the most noted gambling houses in the metropolis. Among his follow members was a man named Bligh, whose eccentricity amounted at times to mild insanity. One evening the Bean, having lost a considerable stake, affected in his

insanity. One evening the Beau, having leat a condicated stake, affected in his farcical ways a very tragic and suicala condication and a loaded pixel. Upon which Eligh, who was sitting opposite to him, calmly produced two pixels from his pocket, and placing them upon the table said. "At. Brum-merial to your existence I an extremely hapty to offer you the means without troubling the watter." The effect upon those present may be saily imagined, for it was apparent to all that the good hartred differ was sincerby means are all actionanes, induced the other to re-pocket the wapon, but the incident somewhat dampened the episits of the card party which, quickly broke'up and spanted.—New York World. Wald-Presentation.

Medical Prevariations. Medical Prevariations. "You can't imagine what a prevari-cator I have become since I have been in the operation of the second since I have been to the operation of the second since I have to the second of the second since I have to dera whether I want to or not. But my conscience decame have me especially. I am akeed many times a day by skick geven truthfully. For instance, one will inquire: How do I look? I amy face whether Wey do I look? I amy face much wastel? 'Am I very fereish? 'Am I very sick? Of course I have to ay all I can to encourage the patient, telling him sometimes that he is doing very well of books much deputed. I while the recording angel will held out with a tear these marks against me."- Ex-change.

A Count with a Mighty Arm.

A Coast with a Mighty Arm. There are stories of strong men who did not appear in public. A batcher lived in south foldand who fulled calves a pirvate entertainment, bent an iron ar by beating it with his right hand against his left arm, protected by a leather bandage, bending it afterward straight again by basing it the other way.—Chumber Jean.

the Fatient; Or shall Fevers be cured immediately y Dr. S. Clay Todd, 43 Monroe street, soom 4, Graud Rapids, Mich. Postoffice bock Box 9? One of the greatest follies taught a

A Grand Nuccess. The Clearance Sale of Heyman & Co. 3 and 65 Canal street. Is a great succes on't miss it.

One of the greatest follies taught at Medical Colloges is that a Fever must run its course and the patient recover by accident. If a Fever must run its course why mploy a physiciant mot risk a valuable life with a physician while you or your darling wife are side with a Fever your life in danger. If your physician is doing all he can mediately, while sarthly use they What is meant by a Fever running its course?

What is mean by hear and course? It means that the whole system must keep the system is a system of the system was a system of the system of the system run and usually results fatally, and if he patient should accidentially recover choose due to a system of the system of the system system of the system of the system system of the system of the system of the system of the choose due as a lengue, You are kindly lodd that your Fever caused by the medicines your fever. How shall your save yourselves from and the aniwar: If you find you are not recovering as fat as you would like, or

iii he was not able to get around. They promounce dhis case to be consumption and incurable. He was persuaded to try Do King' New Discover for commun-meters and the second second second was not able to waik across the street had used half of a dollar bottle, that he without restlics. He found, before he had used half of a dollar bottle, that and is today relying aroad health. If you have any throat, lung or chest rouble try it. We guarantee satisfac-tion. Trial bottles 10 cents. Thus Bress due store. The conversion of the series o Bargains Upon Bargeins. Bargains Upon Bargeins. Messrs. Heyman & Co. of 03 and 65 Canal street, will continue to cifer these femarkable bargains up to Saturday aight. Holb. Hol Pennus! Hot Chertnuts! Every grocer is interested in keeping the trade, and be that keeps peanuts should serve them hot. A new "ararme" is now on the market which is by all odd the finest thing yet shows. The extra actes will soon pay for it. There is meany in the investment. For fail par-ticulars write G. E. Roper, Big Rapids.
