means to do so has only to pass the cr-amination prepared by Dr. Emily Kem-pin, LL. D., and avail herself of the op-portunities the university affords. Before knitting colored worsted shirts, if the wool is well seaked in boiling water and then allowed to drip dry, not wrong oat, if will be found to shirids very fittle after is made up. For some shirids more than any other, All woolen underwars should be nulled into share ring out, it was an adde up. For som ry little after it is made up. For som som or other white wool alway rinks more than any other. All wooled iderwear should be pulled into shap fore it is quite dry. **Opera** House

WM, B. SMITH, Prop'r and Mana, Mrs. Southworth has written as man novela as ahe has lived years (seventy and is one of the best paid novelists, Si has received for some tirle \$10,000 year from The New York Ledger, an now has a royally in addition; but whe A SENSATION OF REGAL SPLENDOR ! antiful Girls with Lovely Figures! Anisanoing Muito that Delights the Farl Seperb Costumes that Dazile the Eysi Exquisite Dancing that Inspires the Scal Grand Marches that Transfir the Ge she began writing for the n she was paid only \$1 a column.

Inazo Nitoko, a member of a dia inguished Japanese family, and a grad late of Harvat college and a German miversity, bas just married. Miss Mary Edinton, a cultured young Philadelphia Juskeress. He will take her back to lapas, where he is to fall an important overmmed office.

Nothing shows the caprice of the fickle world of fashion somer than kid gloves. Just now they must be worn quite loose-ity; in fact, so that the hand may be laid out flat instead of being compressed as it marsus-quilt to hold anything while gloved was a difficurty for some women.

Nearly \$3,000 has been 'raised by Mrs. Virginia T. Smith, of Hartord, toward the sum needed to establish a free bonn in Connecticut for the poor children In that state who are sufferers from incur-able diseases.

Fanny Davenport is the cleverest busi eas woman on the stage. She was the rains of the "Cleopatra" production on she is an authority on the most in ricate details of stage and star manage

Mrs. Kate Tannatt Woods ass. has been elected a member ondon Society of Authors. A BOOKWORM. -----

My heard is books, loved almost as myself if if bores, I put there on the upper shelf: if friends, I daily as a lover dallies With his heart's choice in the sweet gar alleys. Where the rich vires to tangled riot run, And luscions peaches blush against the sun And luxelons peaches blush against thesen. Steadfast Tind them here from day to day. Drawn up like sobliers in their stanch array: I topen one behold he trace of tears Shed by some heart it touched in vanishe Show are new comers, and smule cheerfully: Some are are worn old and sad by constancy: I love them all, the beaming face or said, Those that have made me weep, or under m field. glad, All but the dull ones on the upper shelf, Fhem I would fain exchange for needed pelf.

Sometimes I leave them, and go calmly out To where hearts faster beat, where childs In wheth marks inside totat, wheth can to feel the impulse of the eager erowd, And hear traffic's basis, harsh and loud; it est them as a man,might test his wilds, to teach her she is not the whole of life; A schoolboy's trick it is, for soon I find 've left my better self, my heart, behind.
