ING. May 12 -The bill appropr LANNING, May 12 -- The bill appropri-ating \$100 per month for the home for discharged prisosers has been returned to the house with the vecto of Governor Wi ans. This is the first vecto of the governor and foreshadows his policy in such matters. The communication from

[covernor and foreshadows hisp such matters. The communication to executive office was as follows: "Ehis homes its a private sate of a banevolent character and, as is a very worthy and isadable of lis the character of Mrs. d'Arcam most lovely and estimable lady, wo votes her Hic, sortice and means good of the unfortunate. This for discharacter drainals is not hom This he wood of the unfortunate. This home for discharged ordinates is not, however, it any sense attate institution. It was not established by the state and its man-agers and its managers and executive efficient are in no sense state officers of subject to state control. This appropriation rates a question of state policy of grave importance. The home is one out of handreds of quality worthy private chartice estimates ing in the state. So far as I am in-formed, its its only one two thich its proposed to extend state and. If the add axed for is granted, many other homes.

discriminations must be made or all scalar requests be granted. State ald was first granted to the home by the ic-state of the scalar state of the scalar biol body, it will be cited horeafter as the scalar per most is saked, but, that granted home grows, and bus, they by tap, the home grows, and bus, they by tap, the home grows and bus, they by tap, the

SECTIONAL LINES. raygo Republican: The Mills bill wool free and retained the duty on Why? Because wool is a north-duct and sugar is a product of th. See?

the product skip segar is a product or The McKingby Ull made super free and retained the daty on wool. Why? Bc-cause wool is a northere product and sugar is a product of the south. See? Certainly, we see that according to the Republicans the size of the tariff issue is sectional hatted. And yet statemen who direct tariff legislation profess to low the union and want to lay its foun-dation so deep in the hearts of the pac-ple north and outh, east and weak, that

ill ever stand an imperishable ba a wine ver stand an imperiabable bar-for againt oppression and tyrany. Sacional batred is the arch enouy of the union, it is a traitor to the best hopes of liberty and humanity. Patriots, whether free traders or protectionist. Should score it wherever seen, whether in one party or the other.

t in one party or the other. I its not by any mean certain that a bit of condition for congress may not be a put in the field to wind if the two cit par-til the continues the popular demand in a the nominations they may meks. The concinnat convention of May 19 will a give an impetus to the industrial move-mean which depresed times and low be alliances, and the parton should get their sponk up and tuilte on a repre-solution may the constraint of the industrial solutions are expectally warned the alliances, there would be no sure thing to either Democrator Republican. The Republicans are expectally warned o that the catch penny flurable over recip-very and chap mean will not with. upon ant's

rocity and cheap sugar will not There are real issues at stake, and people won't be fooled.

IF it was not for the serious conse-quences to business it would be laugha-ble to see the desperate «floris the gold nations are making to keep that small blanket over all of them when it is too small to cover half of them. As fast as

blanks over all of them when h is too small to cover half of them. A fast as one pulls it on him another pulls it of, and now see all constants pulls it of, hauling to stretch a small cover into a large one. Of last the stretching has been so great that a rest or two has oc-curred, and one of these times the old bling will bear into "where's and patches." Turk governor has been having a hard wime of it will the legislators and the office holders and he will scarcely have his hay making and harvest to attend to, and then will come the long round of county fairs. In the measiling, a third excited the stretching and here will have his hay making and harvest to attend to, conting fairs. In the measiling, at his and then will come the long round of county fairs. In the meanline, at his scrilest convenience, the governor is ex-pected to innocently boom Muskegon's sand plains, romantically called "the heights "
