## SECOND YEAR-NO. 256.

## ARE FEARING TODAY

## THE CREST OF THE FLOOD NOW AT

The Situation at St. Louis Is Extremely Crit-ical But the Worst Will Be Known To-day-Millions of Dollars of Property Damaged-But Few Lives Lost.

Sr. Lours, May 20.—The river fell slowly last night and at 11 o'clock this morning the gauge marked hitry-live fest nine inches. Experienced river men predict that when the floods which cover the territory along the Missouri and upper Missishpi rivers reach this city the waters will go at least six or eicht inches hicher.

r the waters will go at least six or ht inches higher. The crest of the flood is expected here corrow, and if the embankments hstand the swift current for the next typ-six hours it is believed the worst have passed and the floods will

receds. Reports from Sb. Charles, Me, this moring say that a heavy gale swept through that section last night land the wares were so high that no measures near could be taken with any degree of accuracy. A number of farm houses are provide forced by wind and water from their loosened foundations and floated of down low moddy waters. The occu-phants holsted improvided signals of dis-ters and were received by refield statust ers. The wind was so strong that small life. The doctors say that the danger narrowity accaped drawning. So it was been told. This deal list will there has been told. This data there has been told. This data list will there has been told the ordination and proof narrowity accaped drawning. So it was been told the bodies of children have y etc. The doctors say that the danger. Notwithstanding the fact that the tors donown and peaf frant the data to the situation is wore. This life is like a monstrous plat Out in midocean sailing. All crowded full of living men, And ne'er a foot of railing. as plank There all are struggling for the best And each one to his notion: In this great struggle often some Are pushed off in the ocean. And some will find the lucky plum Like little Jackey Horner; Some always struggle for a place, "For pussy wants a corner!" Some have the claws to hold on tight However rough the sailing. And hold the plank through all the fi With ne'er a foot of railing.

PUSSY WANTS & CORNER

Some things are very light to bear, As light as ocean bubbles; To bear with greatest fortitude, 'Tis other people's troubles. Some get a very liberal streak, Though you may deem it funny; Tis very easy to be face With other people's money. We often get the lucky plum Through some poor brother's The fullure he endures today Brings you success tomorrow.

Tis such a complicated world, Where you and I are staying, We feel inclined to think a bit; Now, brethren, let's be praying

Now, ureinren, iet's be praying. Oh, you, who've found the lucky plum, Like liftle Jackey Horner, Make room forsome poor starving on-"Poor puesy wants a cogner!" -M. A. Sutün in New York Sun.

The transmission of the second second

Must Have Their Sea Legs On. "I tell you it requires a good dea practice to be able to stanti in the cat a rapid running passenger train and the coal into the firebox," safil a W Pean employee, it speading of the ri run by trainmen. "The engine roo

BUTTERINE VS. SOLDIERS HOME Perhaps no other item has

Perhaps no other item has caused more of a discussion the last two days than the election of a Superintendent of Police after a stormy board meeting, and the fact that Butterine, Oleomargar-ine or some other e-e-n is be-ing furnished the immates of the aged veteran Soldiers' Home. Well, there isn't so much to be wondered at. If was a survise to the oublic was a surprise to the public and the public wanted some-thing to talk about. While we care but little what the members of the board do, w

we call but fittle what the members of the board do, we do say Butterine if properly and cleanly made is far su-perior to one-half the stuff named Butter sold in the market today. This we know to be true. We sell a quality of Butterine that is pure, sweet and wholesome. It is palatable and looks and tastes like Butter. We han-dle it in rolls or caddies and and will gladly show you a sample on call. Remember also we are handlers of the only pure Western Fed Beef on the

## LOOK OUT FOR BREAKERS.

Revolutions of month and season bring us imperious calls to advertise goods intended to enhance the comfort of people during the warm season. While clip of shears and flash of needles are having their busiest days in creating beatiful suits and light overcoats for the other departments we must direct attention to our fresh, new styles in

## **Neglige Shirts and** Light Underwear.

The sun will soon awaken from his lethargic sleep and woe be to the victim who is not possessed of these magic antidotes for hot weather.

## **Outing Shirts.**

Not another stock in the city will begin to equal ours. You have choice of Madras, Cheviots,

Oxfords, Silks,

Flannels, Etc. In all grades and styles, from 25c to \$5

each. We are convinced that our strong liue of Neglige shirts will capture the city this season.

Light Underwear. Such quantities and such qualities, and above all, such values were never known before in the city. Balbriggan Underwear.

Merino Underwear.

Gauze Underwear. All the finest has been provided for your inspection and our advantage in buying largely is also your advantage when it comes to price.

## Houseman, Donnally & Jones, Clothing Manufacturer

## WE ARE COMPELLED TO SURRENDER.

And confess our inability to wait on all our trade. The people swarm down upon us in response to our "Fire Sale" until we yearn for a long breath, a chance to rest and to fan ourselves. Our "fire goods" are about gone, but we can always furnish bargains, and will do the best we can to entertain our visitors.
