Tan Conserves.—It will be noticed that Aldernan bras takes the place of Alderman Hursey, as Chairman of the Committee or Streets, in the Council, This is an excellent selection. The post is a very responsible one, and only a man of rouidul algorismit, firm resc-bution and strict impartiality, can rightfully perform its duties. His septement, resolution and industry, pointed out Aldernan tyrs as the Chairman of this Thöperint Committee, and his solection is a guarantee that its duties will be faithfully discharged. Aldernan its duties will be faithfully discharged. Aldernan itse on Accounts. This watch of and Argue eye never alders an tungits of additional de-mand to escape detection, and so long as he, with Aldernen Davis and Avara, are the Au-diting Committee, their continuents. mmittee, their constituents may res

with Aldermen Davis and Avizw, are the Au-diting Committee, their constituents may reat according team of the approximation of the cording team of the approximation of the noticed that Alderman Avizwi is Clairman of the Committee on Ways and Means. This, certainly, is liberal to the Republicans, and among the Republican Aldermen no one is more descring of the compliment than Alder-man Avizwi 76, though the always voice against the Prizes, we must confess that his action as an Alderman is always right, mainly and honorable. Alderman Alary is Chairman of the Committees of Five Department, and the Our opinion no better selection could have been made. The Julge's well-known discretion and Figure and the moring derorder to input the department and the moring derorders the input claichage and always of ong produce to imply the discrete of III. Although an old resident, thug Aars is no focy, but in ever partner of City Improvement his feelings and symphilis of a four citizens. Fire Company Road Star ender the alm of a more produced to the bard of a four citizens. Fire Company Road Star ender the and of a more four on a law of the symphilis Judge Aarx is no fogy, but in every matter or City Improvement his feelings and sympathies are with the progressive "Voug America" class of our citizens. Fire, Company, No-1 is addy in need of a new Engine, and we trust the early attention of the Fire Committee will be given to the matter, confident that the Judge will heardly lead his ald to he pro-ject. Aldeman Davis is Chairman' of the math, and will, we doubt not ittee on Health, and will, we doubt not vertice of the city at large that measure of satis action for which he is so justly praised by hi constituents of the Fifth. The "little Printer" rs his duty, and knowing, always does it A "GOLDEN WEDDING." — There was a happy thering at the residence of JOHN C. BUCHAN a last ovening, to celebrate the 50th anniversary of the wedding of Mr. ABEL BINGDAM, formerly Pastor of the Tabernacle Baptist Church, of this city. Just fifty years ago last night, this now aged couple were joined in marriage, and for near half a century have

ge, and for near that a concern each other's joys and sorrows, and to borne the trials and vici-strades of life, memories must the recurrence of their memories And What uponces must like resurvices of like, 1 reading day suggest to their multis? And into any suddening the thought that few, very few, a co-f their old time friends are now alive to large nder their congratibilities, or make just the the red patter, and his companion, have been reas sidents of our city, and by the spotless pa-reader their inces, and their multif their lives, and their unceasing devo-to the religion of Christ, have secured fit to th knew them. Last evening, as stated, the ters of our several churches and many nination, met at the re-Mr. B.'s son-in-law, to gratify and their presence the hearts of the old r and his wife. The evening was con d in the relation of events which trans sumed in the relation of events which trans-pired long before the time of many present, and which had a double charm for the cars of the listeners, narrated as they were by those who were then actors upon the stage of life. Mr. B. — peaceful as the avocations of his after Mr. D. -peaceful as the seventions of this rater like have been -bidd a commission in the army during the water of SHT and Hit legnal services. The was support and after the close of the war, engaged in the ministry. A firthin chronicle of the lift and times of the motor computed by Mrs. Generator of approbation. For the writer and Write suffyer, the story with prayer and gong, and free interchange of feeling, the erening pass. Free interchange of feeling, the erening pass. Free interchange of feeling, the exemption of the story. The Bight Rec. 1 Bight Rec. free interchange of feeling, the evening passed delightfully away, and, at a scaesnable hour the company dispersed to their formes, nor, however, without first depositing in the hands of the aged paster and his wife their bridal offerings. Although not present, we heartily units in wishing the segmenble couple yet many returns of their Wedding Day.

Courtes of their Wealing Day. Courtes of coursissons and the probably elect two Orangery Commissioners. The necessity arrive axity attion in this matter is very apparent. The eity has purchased grounds for a Centery, and it is imperative that those grounds be im-mediately improved. We have heard the names of Mr. & Grassra, Republicans and Mr. W. P. Mitts, Democrat, mentioned in this connection. Their powerhial public spirit and recept smalle there is suitable due for the responsible position.

CHAZY. CHAPX. The Pontian Gazette says that the Jensov grl, who has gone back to her "ngger," in Windsor, is "cnax," and should be placedin an insane saytum. The Ponian Gazette isa's Republican paper, and process the doctrine of negro equality. Is not the *Gazette* cars? We are idelined to believe that every mark ho We are perimed to believe that every marked teaches this outrine is creaty, and kalould be sont to an insure avplum. A large portion of the Bepublican purty should go to an insure asylum. The Republican papers are crazy and need medicat al. Old Jepson, the father, who taught his doughter that a nigger was as equality tea Pontiac Gazette, and from hearing such negro equality orstors as FAINTED and WINNE. When Governor Wissen stopp-si at old Job-son's house, during last Pall's campaign, and there dined with the Joposs family, with inger Jos at the head of the table, and the daughter by the side of the nigger—he was sitter by the side of the nigger-he was publedly crazy, and ought to have been to an insane asylum. The new way means asylum. The negro equality is a crazy one, and only people of unsound ds enternain it. Send them to the asylum. Death of the Kentucky Glant. the Checkmad Gazette.

om the Clacionad Gazette. Jaines D. Porter, well-known as the "Ken tcky Giant," though born at Portsmouth hio, was found dead in his bad, at his resi-ince near Louisville, on Monday morning.— e was 49 years of age, seven fleet nine inche he height, and when in good health, weighes, nee hundred pounds. The Democrat say that for the first fourteen years of his life, h rere hundred pounds. The Denseral Says and for the first forthern years of this life, he was promitted at coopering, and his remarkable owth commenced. It is stated that the most over grow in one week, was one luid. It as hus hubit, while growing, to measure every attrictay night, and his own testimony and it of mis family and finefils are evidence of

is remarkable fact. Mr. Porter soon got so tall that it was in ossible to cooper barrels, and he was employed possible to cooper barriels, and ne was employ, on hogheads. This, however, became equal impossible, owing to his remarkable heigh and he was completed to shand the business let then ear bigst may promove driving hack parted on the sage in one or two pieces wart for aspecially for him. He returned to Loui ville, and a few years later bought the coffe house, which ho was keeping at the time of h death.

was very highly esteemed by all wh him, for his integrity. In his domest Ho

relations—he was never married—he was all a parent could desire. At the time that Charles Dickens came to this country, there was a perfect form to see untry, there was a perfect furor to s 'As he passed through the cand ille, he sent a messenger to Mr. Porte se remarkable proportions he had heat use a wish to see him. Mr. Porter r to see him. Mr. Porter nger, that "if Mr. Dok more than I to see him, Mr. Dickens took the hi will come to me." Mr. Dickens took the hint and during the conversation Potter told the overlist that, while he was growing, his motive ad to sew a fost on his pantaloons every Mr. Porter's coffin is nine fest one inch in ngth, and two feet across the breast.
